Dear Mr. Campanaro:

Congratulations! On behalf of the Department of Defense (DoD) Mentor-Protégé Program, it gives me great pleasure to notify you that Trillacorpe Construction and LaSalle General Contractors have been selected to receive a 2010 DoD Nunn-Perry Award in recognition of your outstanding accomplishments as a DoD Mentor-Protégé team. The DoD recognizes your superb performance as participants in the Mentor-Protégé Program during the period of October 1, 2008 – September 30, 2009.

The Nunn-Perry Awards are selected to honor Mentor-Protégé teams that have excelled in the areas of quality technical assistance, return on investment, and protégé development. There were over 30 mentor-protégé teams nominated for the prestigious award named after former Senator Sam Nunn and former Secretary of Defense William Perry. The competition was keen, and the evaluation team and I spent a great deal of time reviewing each proposal before, ultimately, selecting the nine teams who will receive awards at the 2010 Nunn-Perry Awards Ceremony in National Harbor, Maryland on Wednesday, March 10, 2010.

Your hard work, dedication, and superior achievements have made this another successful year for the Department of Defense Mentor-Protégé Program.

Sincerely,

A handwritten signature in cursive script that reads "Linda B. Oliver".
